

A man wearing a yellow hard hat and a white button-down shirt stands with his arms crossed in front of a wind farm. The background shows several wind turbines against a clear blue sky. The man is looking off to the side with a thoughtful expression.

# Make Wisconsin Energy Independent

In the coming days, our legislators will have the opportunity to strengthen Wisconsin's commitment to clean energy and energy efficiency. This commitment will create family-supporting jobs for Wisconsin residents, move the state toward energy independence and protect our air and water. Call your legislators and tell them to vote for the Clean Energy Jobs Act.
